"Where Do You Wanna Go?"

Where do you wanna go?
'Cos we could go anywhere
When do you wanna go?
'Cos we could go anytime
How do you wanna go?
'Cos we could go anyhow
Who would you like to bring?
'Cos we could bring everyone

Ba da da da...

What do you wanna feel?
'Cos we could feel anything
What do you want to steal?
'Cos we could steal everything
How would you like to be?
'Cos we could be ignorant
Now is the time to leave
There won't be a second chance

Ba da da da...

I wanna stay with you
Head over heels, sleeping forever
Where do you wanna go?
Where do you wanna go?
