Cwyd dy bentan a dos lawr i'r de  
Take your homestead and then head down south  
Gad dy dreftadaeth mewn priodol le  
Leave your heritage in the designated space  
Ble 'roedd cartref nawr mae gwagle llwyd  
What was once home is now grey matter

Pwy wnaeth daflu'r ffrwyth at ein llwyth?  
Who threw that fruit at our tree?  
Pwy all dalu'r pwyth?  
Who will pay the price?  
Pwy a wyr?  
Who knows?  
Wyr?  
????  
Aaaaah

Adeiladu pontydd newydd sbon  
Building bridges that are so brand new  
Codi'r allor o weddillion bom  
Lift the shrine that a bomb just blew  
Golchi'r clwyf sy'n cadw dod yn ?  
Cleanse the wound that will only recur

Pwy wnaeth daflu'r ffrwyth at ein llwyth?  
Who threw that fruit at our tree?  
Pwy all dalu'r pwyth?  
Who will pay the price?  
Pwy a wyr?  
Who knows?  
Wyr?  
????  
Aaaaah
