Come on get on board  
Hey hey let's go  
Come and take a little journey with me

All aboard sit back  
Now there's so much that we're gonna see

Hear the click clack train track under your feet  
Yeah

Cause when the engine pulls up and it's your time to go  
Hear the toot toot and the steam whistle blow  
Hey now don't be late  
Better get on board

Come on get on board  
Get on board  
Get on board  
Get on board  
Anywhere we go hey you know it's so exciting to me  
Get on board  
Hey hey hey now don't be late  
Better get on board

Come on get on board  
Get on board  
Get on board  
Get on board  
Anywhere we go hey you know it's so exciting to me  
Get on board  
Hey hey hey now don't be late  
Better get on board

Come on get on board  
Get on board  
Get on board  
Get on board  
Anywhere we go hey you know it's so exciting to me  
Get on board  
Hey hey hey now don't be late  
Better get on board
