Whenever you have something special  
Whenever you have something fun  
And  
Oh yeah it's something to hold on to  
Just remember it's ok to share  
You and me  
We care  
Because  
We're the best of friends  
You see your my friend  
You're my friend  
What's mine is yours  
Mine is yours  
You're my buddy what's mine is yours  
You're a good good friend  
You're my friend  
What's mine is yours  
Mine is yours  
Your my buddy what's mine is yours  
Doo Doo Doo Doo's

See your my friend  
You're my friend  
What's mine is yours  
Mine is yours  
Your my buddy what's mine is yours  
You're a good good friend  
You're my friend  
What's mine is yours  
Mine is yours  
You're my buddy what's mine is yours  
You're my buddy what's mine is yours  
Doo Doo Doo Doo's
