I'm holding on  
But I can't wait  
Yeah that's what I said  
I'm trying to hide it  
But I can't stop from skipping  
From skipping ahead  
Hey just hold your horses put the breaks on cool your  
jets  
Na, Na  
Hey just hold your horses put the breaks on cool your  
jets  
Na, Na, Na  
I'm gonna try  
To take my time and join the day  
And I'm gonna find it  
I wanna see the magic along the way  
Hey just hold your horses put the breaks on cool your  
jets  
Na, Na  
Hold your horses  
Hold on  
Hold on  
Ooooooh  
Hey just hold your horses put the breaks on cool your  
jets  
Na, Na  
Hey just hold your horses put the breaks on cool your  
jets  
Na, Na  
Hey just hold your horses put the breaks on cool your  
jets  
Na, Na  
Hey just hold your horses put the breaks on cool your  
jets
