Hey there can you help me  
I can't find what I'm lookin' for  
Can you tell me have you seen it  
I know that I had it before  
I know I set it over there  
But now I can't find it anywhere  
Ahhhhhh

It's ok  
I don't really mind it  
Right away  
We're gonna find it  
Together with me  
We're right behind it

Listen here let me explain  
There's no one to blame  
Hey there can you help me  
I can't find what I'm lookin' for  
Can you tell me have you seen it  
I know that I had it before  
I know I set it over there  
But now I can't find it anywhere  
Ahhhhh

It's ok  
I don't really mind it  
Right away  
We're gonna find it  
Together with me  
We're right behind it  
Hear me now  
Let me explain

There's no one to blame  
Do do  
Doooo  
Do do oooh  
Do do oooh  
Hear me now  
Let me explain

There's no one to blame
