Clap Clap 1 2 3  
crack down on ya knees  
I'm weatherman bringing the breeze  
Tarzan swinging from trees  
I ride for Coatesville  
You know the drill  
Hot off the grill  
I got the sausage on the buns like the mcgriddle  
Sticky situations always in the middle  
Lemme hear you make some noise  
and give it up for the Doody Boys  
But thats your choise  
Click click boom  
So fresh smell the fumes  
Don't say I suck unless ya betta  
stick to vocab and practice ya lettas  
ya got your perfect sundae now would you like your  
topping  
no signs so i am not gonna be stoppin  
for a while K Y L E  
kyle on this track  
never opened just bring it back  
more paper just add it to my stack  
haymaker to your dome  
bj\*\*\* ass pussy go home

my bulls are swift yalls just cheesy  
weatherman i make it breezy  
weatherman i make it easy  
weatherman i make it breezy  
uh huh

im never jealous  
proud of what i got  
that is why im hott  
but this is how i rock  
cause i stay coutin like the clock  
on the wall,if i fall  
i get right back up and keep my head up  
so whats up  
I'm a pioneer on your land

On my wrist the rubberband  
F\*\*\*ing Weatherman and i make it breezy  
F\*\*\*ing Weatherman and i make it easy  
So take it easy
