I wish I was king of the world
I'd give you everything, diamonds and pearls
Yeah, I'd give you all that I had
Yeah, I'd give you all I had
Yeah, when I'm king of the world
Yeah, when I'm king of the world
What I was still drags me down
Those dreadful days and nights still haunt me now
Less said about the way we were
More the chance I could be your shelter
Yeah, when I'm king of the world
Yeah, when I'm king of the world
Yeah, when I'm king of the world
Yeah, there'll be no more pain
No sorrow when I'm king of the world
No sorrow when I'm king of the world
No sorrow, no sorrow
No sorrow, no sorrow
No sorrow, no sorrow
When I'm king of the world
When I'm king of the world
When I'm king of the world
