You were mine  
Pretty flowers in the gardens of town  
Change or the sun won't shine  
Change or the rain comes down

You were mine  
But now it's the end of the inbetween  
Gone are the days  
When the ammunition was clean

Change or the sun won't shine

Outside  
Stories of misdemeanours grow  
Seeing the blade in the rays  
Running for cover they go

To late  
How they come and how they fall  
Baby cradle and all  
Baby cradle and all

Close the door  
Though it seems like we only kissed hello  
It looks like it's time to go  
It looks like it's time to go

In the light  
Somehow the craziness dissolves  
Change or the sun won't shine  
Change or we end it all

Change or the sun won't shine  
Change or the sun won't  
Change or the sun won't shine  
Change or the sun won't  
Change or the sun won't shine  
Change or the sun won't  
Change or the sun won't shine  
Change or the sun won't  
Change or the sun won't shine

Change or the sun won't
