I'm losing sleep
So I walk
These dirty streets
I heal bad blood
Run through
This neighbourhood
I don't get it
This bed
Ain't filled with romance
This life ain't living
It's screaming in my face
All right

On my knees, yeah
Much too late
I don't believe that
Many ???
And all night long, yeah
The city's dreaming
I can't forget you
You're all I got, my love

Oh, in the side
Street shadows
I gotta hold my head up
There's a stale
Street stench
Got a stranglehold
Oh milk and honey
Won't heal my heartache
Gotta take that chance
Yeah
And dance through life

On my knees, yeah
Much too late
I don't believe that
Many ???
And all night long
The city's dreaming
I can't forget you

It's all I got my love
Ooooh

I'm on my knees, yeah
Much too late
I don't believe that
Many ???
And all night long
The city's dreaming
I can't forget you
You're all
I got my love
