Supply your units
With a fire from above
You've been painted, darling
A woman waiting at your home

Get down on your knees
Put your hands up for free
Get down with delivery
Expansions in your harmony

You've found the county
With a treasure in your hand
Well, please don't call her
The black oil land
You bought those roses
To a woman from above
She's been gone for some time
Another waiting at your home

(chorus)
Oh Brother, Won't you get my things, Straighten out
Oh Sister, Well I was made for, You were made for me
(x2)

Supply your units
With a fire from above
Well, please don't call her
The black oil and gall

Get down on your knees
Put your hands up for free
Get down with delivery
Expansion free, deliver in your harmony

(chorus)
(x2)

Get down on your knees
Put your hands up for free
Get down with delivery
Expansions in your harmony

(chorus)
(x2)
