Cause you won't
Big mouth
Lie down
Shut your big trap now
Cause you don't know how
It's done

You can talk
And talk all night
But I can ____ you
Half as right
I'm a doer
Get it done
Press number one
I'm a cool mother having fun

Now you see me
Now you don't
Afraid they
Cause you won't
Catch on
Be strong
Rap on to it

You ask on my bed
Left behind
Cause your too busy
Flicking around

Speed up
Don't stop
Got to reach the top
Ain't no time for

____ _
I'm right
Speed up
You lie
Got to go for mine
Ain't no time for _____
Ain't no _____
I'm right

Smells like
The ocean
Get your facts right
Better know this for sure
You can look the part all right
Can you fake it everytime
You been using it to
Mount some lover
Just the old tryin to dump the dumped

Now you see me
Now you don't
Afraid they
Cause you won't
Catch on
Be strong
Rap on to it

You ask on my bed
Left behind
Cause your too busy
Flicking around

Speed up
Don't stop
Got to reach the top
Ain't no time for

____ _
I'm right
Speed up
You lie
Got to go for mine
Ain't no time for _____
Ain't no _____
I'm right

Everytime I look you there
You wanna bother me
Get your ass and get a fixed up
Look sharp
Got no time for hangers, wanna be
And great pretenders
Were trying to send off
Play right
You gotta do
What you wanna do
You gotta be
What ya wanna be
Whatever will be
Is what will be

Whatever you want
Come follow me

Speed up
Don't stop
Got to reach the top
Ain't no time for

____ _
I'm right
Speed up
You lie
Got to go for mine
Ain't no time for _____
Ain't no _____
I'm right
