Ohhhh  
Falling  
Ohhhh - oooohhh

They tell you  
You can do no wrong honey  
Face of an Angel  
The Makings of a big star  
You Say the right things  
Day in day out  
Don't do this and  
Don't do that

They stay beside me  
Correct and guide me  
Smooth sailing all the way  
I take the back seat  
Hands will be on me  
What a big mistake

CHORUS  
I'm falling in  
Been falling out  
So long that I  
See my love erased  
Wanting to be other  
Nobody knows  
No Colours in my rainbow  
I'm falling in  
Been falling out  
Too long when i'm  
Walking in the shadows  
Only the lonely can reach me  
Everyday I'm falling

Everyday I'm falling

It's been the making of the  
Whole of me  
Fame and the fan clubs  
Fickle think of fake dust

Don't hold any mercy for me  
Call you later call you right back  
They're all behind me  
To reassure me  
Everything will be ok  
Don't wanna know me  
Unrepresented  
What a huge mistake

#### CHORUS

I'm falling in  
Been falling out  
So long that I  
See my love erased from  
Wanting to be other  
Nobody knows  
No Colours in my rainbow

It seems so long since that time  
I struggle on with my  
I know I'm gonna be fine

I know i'm gonna be just fine

I'm falling  
I'm falling

#### CHORUS

I'm falling in  
Been falling out  
So long that I  
See my love erased from  
Wanting to be other  
Nobody knows  
No Colours in my rainbow  
I'm falling in  
Been falling out  
Too long when i'm  
Walking in the shadows  
Only the lonely can reach me  
Everyday I'm falling

Everyday I'm falling
