What you pretty much gonna do  
What you pretty much nothing on  
Bom Bom Bom Bom

With your looks and your pretty eyes  
Wanna feel that you could be mine  
Break it down bring your lucky light  
(Break it down)  
Don't you feel I'm on a roll in  
Wanna touch you can never mind  
Doodle Bop and then a grind  
What you feel let me redefine  
What I wanna do to make you

Up all night  
Keep you up all night  
Keep us up all night  
Baby that's alright  
Wanna do this right  
Baby that's the flight  
Look into those eyes  
Let me Hypnotize

Chorus  
Hypnotize  
Me with those eyes  
Got me locked real tight  
Yeah you Uh  
You turn me on  
Hypnotize  
Try it on for size  
Got me mesmerised  
Yeah you yeah  
You turn me on

What you pretty much gonna do  
What you pretty much nothing on  
Bom Bom Bom Bom

If you like looking in his eyes  
And you're his baby when you sigh

Like you did with my appetite  
Every inch I'm all over your  
In the club go be back at mine  
It's a chance baby take a dive  
Just a lick if you wanna dine  
Right into those eyes you've got me

Up all night  
Keep you up all night  
Keep us up all night  
Baby that's alright  
Wanna do this right  
Baby that's the flight  
Look into those eyes  
Got me Hypnotized

Chorus  
Hypnotize  
Me with those eyes  
Got me locked real tight  
Yeah you Uh  
You turn me on  
Hypnotize  
Try it on for size  
Got me mesmerised  
Yeah you yeah  
You turn me on

What you pretty much gonna do  
What you pretty much nothing on  
Bad a Bom Bom Bom Bom

If I come on  
Come on too strong too strong  
It's only cause you got me  
Hypnotized I'm mesmerised  
I'm freakin left  
I'm freaking right  
I'm freaking out for you  
You turn me on

Oh no Oh no you turn me on  
Oh no Oh no you're turning me on  
Oh no Oh no ohhhhhh  
You turn me on

You turn me on

Hypnotize  
Me with those eyes  
Got me locked real tight

Yeah you Uh  
You turn me on  
Hypnotize  
Try it on for size  
Got me mesmerised  
Yeah you yeah  
You turn me on
