We're steppin' out tonight
Yeah, we'll be getting down
Everybody get
Everybody get
Everybody get up, up, up
Let's rock it, let's get wild
Dance like you wanna
Everybody get, everybody get
Everybody get up, up, up

Tonight we're on the floor
Turn up the music
'Cause we want it, give us some more
Oh oh oh oh oh
This spot is so damn hot
We're 'bout to lose it
'Cause we want it, we want it,
We want it, want it, want it, want it

We in the club tonight
We got it all
So DJ drop
We gonna light up the floor
No need electrolights
We got control
So flip the switch
We gonna light up the floor

Light up the, light up the, light up the floor
Light up the, light up the, light up the (floor, floor)
Light up the, light up the, light up the floor
Light up the, light up the, light up the (floor, floor)

Can you feel the heat?
I'm about to beak a sweat
We're jumping, we're jumping
We're jumping all night long
I'm about to lose my breath
Ah! Ah!
Everybody get, everybody get
Everybody get zoom

Tonight we're on the floor
Turn up the music
'Cause we want it, give us some more
Oh oh oh oh oh
This spot is so damn hot
We're 'bout to lose it
'Cause we want it, we want it,
We want it, want it, want it, want it

We in the club tonight
We got it all
So DJ drop
We gonna light up the floor
No need electrolights
We got control
So flip the switch
We gonna light up the floor

Light up the, light up the, light up the floor
Yeah
Light up the, light up the, light up the (floor, floor)
Light up the, light up the, light up the floor
Yeah
Light up the, light up the, light up the (floor, floor)

Woh oh oh, woh oh oh
We're gonna light up the night
Woh oh oh, we're gonna do it right
Woh oh oh, woh oh oh
We're heading straight for the stars
Woh oh oh
Woh oh oh oh (oh oh oh)
Party people tonight

We in the club tonight (night)
We got it all (night, night, ni-night)
So DJ drop
We gonna light up the floor
No need electrolights
We got control
So flip the switch
We gonna light up the floor

Light up the, light up the, light up the floor
Yeah
Light up the, light up the, light up the (floor, floor)
Light up the, light up the, light up the floor
Yeah
Light up the, light up the, light up the (floor, floor)

Light up the, light up the, light up the floor
Yeah
Light up the, light up the, light up the (floor, floor)
Light up the, light up the, light up the floor
Yeah
Light up the, light up the, light up the floor
Yeah
