Haaaaa

Yeah

Da ran Na Nan Na Na

Haaaaa

Yeah

Kick Back

None of us know that

My Life

And everything I know

Seems all too far

Back in the past and a play

I wanna

Diddle it over

Relive

Without being all the

Take me away

Give me the how

And I'll do it for now

Clap my hands

Take a bow

I will do whatever

Imagine some-how

We believe here and now

Take the road leading down

The hill

To my naked past

Chorus

Give me the choice and I

Reach out

I'll be back in time

Take me away

To re-live my childhood again

Just say the word and I'll

Reach out my hands to fly

Do anything

To re-live my childhood again

So much

Of everything is over
Reach out
Bring what you can
Back to the girl
(Back to the girl)
And boy and is all that he had
Play Nice
Our mamas always told us
Do Right
Do wrong we did
Those were the days yeah

Give me the how
And I'll do it for now
Clap my hands
Take a bow
I will do whatever
Imagine some-how
We believe here and now
Take the road leading down
The hill
To my naked past

Chorus
Give me the choice and I
Reach out
I'll be back in time
Take me away
To re-live my childhood again
Just say the word and I'll
Reach out my hands to fly
Do anything
To re-live my childhood again

What would you say?
To the boy, to the girl
That you were
All those years yesterday
What would you know?
Without them
That did show us the way
Mums and dads
You're ok

Chorus
Give me the choice and I
Reach out
I'll be back in time
Take me away
To re-live my childhood again
Just say the word and I'll

Reach out my hands to fly
Do anything
To re-live my childhood again

Take me away
Today
Take me away
Today
Do anything
Take me away yeah
Take me away
Today
I'll do anything
