Hi, I'm Lola
What's up?
Hi, I'm Lola
Check out my motor
Hi, I'm Lola
Wanna ride
Hi, I'm Lola
Take it from the top

My name is Lola
I'm glad to meet ya
I drive a real raging motor
I can beat ya
I'm fully loaded
Check out my hoodie
I got them framed just to make them seem like goodies

Check it out

At first we glide
And then we ride
We rev it till its hot and then we get the speed on
The turn-key's wild
Enjoy the cry
Emotions drop all down just let me kick my heels off

Chorus
Ride
Will you ride round me?
Ride
It makes me wanna
Ride
You thrill me with your
You got me burning rubber
Loving like I can no other

I'll tease ya
And kinda please ya
I'll take a back seat driver made completely
Around the bend
You start to shoot

Your eyes on Lola
I'm like a freak, fit, and on the wheel please you

Check it out

At first we glide
And then we ride
We rev it till the top hot and then we get our freak on
The turn-key's wild
Enjoy the cry
Emotions drop all down let me kick my heels off

Chorus

Ride
Will you ride round me?
Ride
It makes me wanna
Ride
You thrill me with your
You got me burning rubber
Lovin like I can no other

Drill it up with a Capital Hub
Cool it now but I just can't quit
You know my ride is fly
I hookin in my ride
And I ride like a Gemini
The roof, the roof, and the roof it gets my ties 24
Rims light walnut dash
Couple leather seats and hood to match
Get my

Chorus

Ride
Will you ride round me?
Ride
It makes me wanna
Ride
You thrill me with your
You got me burning rubber
Lovin like I can no other

Ride
Will you ride round me?
Ride
It makes me wanna
Ride
You thrill me with your
You got me burning rubber
Lovin like I can no other
