You see generally
I try to keep my head straight
I try to keep positive thoughts in my mind
I gotta rise above the rest and fly with the angels

And fly with the angels

No regrets
No soul left
Look in my eyes and you'll see that
This Rage is dignified
Its all i have inside

No regrets
No soul left
Look in my eyes and you'll see that
This Rage is dignified

Divisions tearing me
The memories flow right out to sea

And you know lately
Ive been letting things slip
I need a sign from you am i gonna sink this ship
Will i ever find myself again and fly with the angels

And fly with the angels

No regrets
No soul left
Look in my eyes and you'll see that
This Rage is dignified
It's all i have inside

No regrets
No soul left
Look in my eyes and you'll see that
This Rage is dignified
It's all i have inside

Divisions tearing me
The memories flow right out to sea

mmmmmmm
Division grips on me
Division grips on me

No regrets
No soul left
Look in my eyes and you'll see that
This Rage is dignified
It's all i have inside

No regrets
No soul left
Look in my eyes and you'll see that
This Rage is dignified
