"Beachview"

The sun it blisters time into gold
Echoes of life seem jaded now
The summer times come into bloom
Today it shares no space with you

Falling (talking in background)
Try my view (talking in background)
falling (...suffocate, nightmares come to haunt me)
As I face the sun no shadow waits
Fragments of all crash down
Steal the chains of destiny
I'll abuse it just the same

I'd throw it all away
I'd throw it all away
I'd throw it all away
For just one day with you

Falling (talking in background)
Try my view (talking in background)
falling (...suffocate, nightmares come to haunt me)
The sand, the sea, the surf, the times with you
Calls back the old beach view
As time holds back for good
No one's misunderstood

I'd throw it all away
I'd throw it all away
I'd throw it all away
For just one day with you
