You give me reason to compare
The situation becomes clear
And now I see straight through a paranoid society
You treat me like I'm a god you point your fingers at me

I'm not god, they faked it all, I'm only here to be
abused

You're trying hard to be a friend
If you would only understand
And now I see straight through a paranoid society
You treat me like I'm a god you point your fingers at me

I'm not god, they faked it all, I'm only here to be
abused
I'm not god, they faked it all, I'm only here to be
abused
A silver lining is the shrine you're worshipping false
idols
You treat me like I'm a god you point your fingers at me

I'm not god, they faked it all, I'm only here
I'm not god, they faked it all, I'm only here to be
abused
I'm not god, they faked it all, I'm only here to be
abused
