Id like to touch her skin
I want to feel her pain
So I touched her legs
I touched her legs
I
I saw her every night
And the stars were shining bright
Knew I would (?)
I want to hurt her now
So I touched her legs
I touched her legs
I
I just had to laugh
At you
I just had to laugh
At you
I just had to laugh
At you
I just had to laugh
At you!
And now Im left alone
I want to touch her bones
I want to hurt her now
So I touched her legs
I touched her legs
I
I met her every day
And the sun was shining bright
I just had to laugh
Im playing with your brain
So I touched her legs
I touched her legs
I
I just had to laugh
At you
I just had to laugh
At you
I just had to laugh
At you
I just had to laugh
At you
At yooooooooou!

Hey!
So I touched her legs
I touched her legs
I touched her leeee-eeegs
I touched her legs
I
