You fueled my innocence
Then common sense took precedence
Falling free from you in a cavity you grew

I did not see where I was bleeding
Anemic has no grace, can't you see
I'm sliding? See, I'm sliding

I've got a fix on you, never come to bloom
I cut free myself, I am a jealous fiend

Will I ever walk on water?
How long till the past is gone?
Will I ever walk in your shoes?
Tell me, it's refused

You changed uncompromised
Then sanitized your image right
Choking on your taste
The signs you gave me

I've got a fix on you, never come to bloom
I cut free myself, I am a jealous fiend

Will I ever walk on water?
How long till the past is gone?
Will I ever walk in your shoes?
Tell me, it's the truth

Will I ever walk on water?
How long till the past is gone?
Will I ever walk in your shoes?
Tell me, it's refused

How long till the past is gone?
(It's refused)
How long till the past is gone?

How long till the past is gone?
(It's refused)
How long till the past is gone?
