A lot of things has changed throughout the years
Cos now Im sleepless in
The night time, and that's the right time
And I remember the old days where
People used to ignore me
And there's no reason why you think Im beautiful
Cos Im not
Beautiful
I feel someones watching me
I feel so alone each day
Now Im sleepless in the night time
And there's no reason why you think Im beautiful
Cos Im not
Beautiful
I feel somebodys watching me
