Is it so hard to satisfy your senses
You found out to love me you have to climb some
fences
Scratching and crawling along the floor to touch you
And just when it feels right you say you found someone
else to hold you
Does she like i do?

(CHORUS)

Tell me does she love you like the way I love you?
Does she stimulate you, attract and captivate you?
Tell me does she miss you, existing just to kiss you like
the way I do?
Tell me does she want you, infatuate and haunt you
Does she know just how to shock you, electrify and rock
you
Does she inject you, seduce you and affect you like the
way I do?

Can I survive all the implications
Even if I tried could you be less than an addiction
Don't you think I know there's so many others
Who would beg, steal and lie, fight, kill and die
Just to hold you hold you like I do

(CHORUS)

Nobody loves you like the way I do
Nobody wants you like the way I do
Nobody needs you like the way I do
Nobody aches nobody aches just to hold you like the
way I do

(CHORUS)
