"Not Enough"

It's not enough to give up everything you own.
It's not enough to say you're sorry every day.
I heard myself say stop, but I didn't stop.
And now it's not enough.
It's not enough to wish so hard you cry.
It's too bad it doesn't count that way.
I heard myself say stop, but I didn't stop.
And now it's not enough.
Somehow you do it, it's like you're in a dream.
Then you're looking back and you can't change
anything.
It's worse than sad, you can't take it back.
And now it's not, enough, enough.
And now it's not enough.
