Bleeding out
My world is gone
The walls come down
But there's nothing wrong

Built it up
A broken home
Safe here in my city of stone

Heart of stone
Leave me alone
Ended up
My soul is numb

Heart of stone
Crashing down
Covered up
All in the cold

People die
Right by my side
Don't feel a thing
I close my blinds

Nighttime calls
Streets get dark
Nowhere to turn but I see it all now

Heart of stone
Leave me alone
Ended up
My soul is numb

Heart of stone
Crashing down
Covered up
In the cold

I am composed
A prisoner of my own heart
Should I know that

Love is gonna tear it apart

Heart of stone
Leave me alone
Ended up
My soul is numb

Heart of stone
Crashing down
Covered up
In the cold
