The world's a spy  
It has its eye  
on you

In the bottom of a glass  
is where you sat  
last night

As I sat  
on the other side  
Wake up  
so you can get some sleep

The worlds a spy  
it has its eye

Wake up  
so you can some sleep  
you're no Assange  
let me be

The wolds a spy  
it has its eye  
the worlds a spy  
it has its eye

Wake up  
Wake up  
So you can get some sleep

You're no Assange  
let me be

The wolds a spy  
it has its eye  
the worlds a spy  
it has its eye

on you  
on you  
on you

The world's a spy  
It has its eye
