I'd like to say that it's already over  
I'd like to say that we are already through  
But you keep on crying, crying  
And I don't know what exactly there is to say

This is starting to get embarrassing  
You're repelling the chaps away from me

You're a useless, hopeless, thoughtless kid  
And I wish you'd just get away from me  
Cause honestly, honestly,  
Honestly, honestly, we're through

I'd like to think that I could flirt away  
I'd like to think that single's alright to say  
But you keep on calling, calling me  
And I don't know how exactly to explain

This is starting to get embarrassing  
You're repelling the chaps away from me

You're a useless, hopeless, thoughtless kid  
And I wish you'd just get away from me  
Cause honestly, honestly,  
Honestly, honestly,  
You're a useless, hopeless, thoughtless kid  
And I wish you'd just get away from me  
Cause honestly, honestly,  
Honestly, honestly, we're through

Oh I wish you'd just pick up on my hints  
Cause it's tearing, tearing me up in bits  
We're starting to think you're a little strange  
Cause you just won't, just won't go away

Honestly, honestly [x4]

You're a useless, hopeless, thoughtless kid  
And I wish you'd just get away from me  
Cause honestly, honestly,  
Honestly, honestly,

You're a useless, hopeless, thoughtless kid  
And I wish you'd just get away from me  
Cause honestly, honestly,  
Honestly, honestly,  
You're a useless, hopeless, thoughtless kid  
And I wish you'd just get away from me  
Cause honestly, honestly,  
Honestly, honestly,  
You're a useless, hopeless, thoughtless kid  
And I wish you'd just get away from me  
Cause honestly, honestly,  
Honestly, honestly, we're through
