Mmmmmmm Oooh

Oh, yes, been such a long, long time  
Look like I'd get you off of my mind, but I can't  
Just the thought of you  
Turns my whole world misty blue

Oh, honey, just the mention of your name (Just your name)  
Turns the flicker to a flame  
Listen to me good baby (Oooh)  
I think of the things we used to do (Oooh)  
And my whole world turns misty blue

Ohhhh baby I should forget you  
Heaven knows I've tried  
Baby, when I say that I'm glad we're through  
Deep in my heart I know I've lied, I've lied, I've lied

Oh Honey, it's been such a long, long time  
Looks like I'd get you off of my mind, but I can't,  
Just the thought of you my love  
My whole world turns misty blue

Ohhh, oh I can't, oh I can't, I can't forget you  
My whole world turns misty blue  
Oh, my love,  
My whole world turns misty blue

Baby baby baby baby.  
Baby I can't forget you  
My whole world's misty blue
