Go Ordinary Guy  
You master of disguise.  
Nobody notices you  
But I know what you've been through.

You think black  
But you say white.  
You turn left  
When you said right.

You act really proud  
But it's hate  
What you've felt  
'Til this day.

Hungry for some trouble  
You do create the myth.  
When you offer a hug  
You always show your fist.

When he walks on by, they all say  
Woo oh oh oh, there is the jerk... Wo oh!

Craving for attention  
You want it more and more.  
No fear or redemption  
You close yourself a door.

When he walks on by, they all say  
Woo oh oh oh, there is the jerk... Wo oh!

Going down the street you  
See yourself as a God.  
But the funny thing is  
Your not divine, just odd.

When he walks on by, they all say  
Woo oh oh oh, there is the jerk... Wo oh!

When he walks on by, they all say  
Woo oh oh oh, there is the jerk... Wo oh!

Speak your mind!  
I'm not blind!  
Who are you?  
I wish I knew.

Speak your mind!  
I'm not blind!  
Who are you?

I wish I knew, I knew.

Speak your mind!  
I'm not blind!  
Who are you?  
I wish I knew, I knew.
