

Superjoint Ritual "Antifaith"

Visit "[Antifaith](#)" on MotoLyrics.com

Through the beyond, the brain that creeps compulsion
Unrash decision, a battle pitched with lyric
Bastard world is swallowing and harvesting
A dense generation that's doomed to repeat over and
over

[chorus]

Dischord, fear, psychosis, then the grave

Antifaith, a legion in the cerebellum
Kill the senses, dream of guilt, a blatant fraud

Abominations will maximize both death and danger

[chorus]

Dischord, fear, psychosis, then genocide

At one time, try it again and again
A grizzled down execution, your flesh at one with the
dirt
No death king, no veil of martyrs, just red, raw, and
gone
