One, two, three, four

Personal insult till multiple injury is in store for you, not
me

They simply had to be calling out, calling out to me
Blacked out, I blacked out with a hatred, I hate enough
to see

Personal insult leads to multi-injury, damn the eyes,
damn the, damn the

Ultimate fix is in, crawling through disease and ruins
Enslavement of American gains, only the strong yet
scared

Are spared an early death, an early death, an early
death, an early death

Are spared an early death, an early death, an early
death

Personal insult till multiple injury
Personal insult destroying
Personal insult till multiple injuries
Personal insult on you, crushing

Unholy war you will get, you can bet, it's just bullshit,
sand nigger

A holy war you will get, you can bet, jihad is a joke
Fight us the American citizens

The most pissed off motherfuckers in the world

Unholy war you'll get, you can bet
[Incomprehensible]

Unholy war you'll get, you can bet, ha
The U.S. is the great Satan
