Celebrate your yellow eyes no intention self prevention
A horror tide death for dead borrowed time a hallowed
life

You're fucking dead, you're fucking dead

Hungry for the mother love, you instigate a situation
Half a head, half a body, baby rapist dick less wonder

You're bought and sold, you're bought and sold

Crap full, not sure, my fears
The rain comes, like blood
Invented, for your amateur soul

Why I can't say?
Kiss it goodbye
Now could you hear, betray
I could said
?Kiss it goodbye?
Oh, life dead
