I just wanna run, hide it away  
Run because theyre chasing me down  
I just wanna run, throw it away  
Run before theyre finding me out  
I just wanna run

I just wanna run  
Im out here all alone  
I try to call your house  
Cant reach you on the phone  
Ill gather up the nerve  
Im packing up my bag  
Its more than you deserve  
Dont treat me like a drag

Im feelin like I keep on talking  
Im repeating  
Myself, my words lost all meaning  
I keep talking  
I repeat myself

I just wanna run, hide it away  
Run because theyre chasing me down  
I just wanna run, throw it away  
Run before theyre finding me out  
I just wanna run (run, run, run)  
I just wanna run (run, run, run)

Like a game of chess  
I predict your move  
I think I know you better  
Better than you do  
Im sick of feeling cheap  
Cheated and abused  
Sick of losing sleep  
Thinking about you

Im feelin like I keep on talking  
Im repeating  
Myself, my words lost all meaning  
I keep talking

I repeat myself

I just wanna run, hide it away  
Run because they're chasing  
me down  
I just wanna run, throw it away  
Run before they're finding me out  
I just wanna run (run, run, run)  
I just wanna run (run, run, run)
