It may not feel too classy  
Begging just to eat  
But you know who does that? Lassie.  
And she always gets a treat  
So you wonder what your part is  
'cause you're homeless and depressed  
But home is where the heart is  
So your real home's in your chest

Everyone's a hero in their own way  
Everyone's got villains they must face  
They're not as cool as mine  
But folks, you know it's fine to know your place  
Everyone's a hero in their own way  
In their own not-that-heroic way

So I thank my girlfriend, penny  
(yeah, we totally had sex)  
She showed me there's so many  
Different muscles I can flex  
There's the deltoids of compassion  
There's the abs of being kind  
It's not enough to bash in heads  
you've got to bash in minds

Everyone's a hero in their own way  
Everyone's got something they can do  
Get up, go out and fly  
Especially that guy - he smells like poo  
Everyone's a hero in their own way  
You and you and mostly me and you

I'm poverty's new sheriff  
And I'm bashing in the slums  
A hero doesn't care  
If you're a bunch of scary alcoholic bums

Everyone's a hero in their own way  
Everyone can blaze a hero's trail  
Don't worry if it's hard  
If you're not a friggin' 'tard you will prevail

Everyone's a hero in their own way  
Everyone's a hero in their way

Groupies: (over hammer)  
We're heroes too  
We're just like you  
We're heroes too
