Here lies everything  
The world I wanted at my feet  
My victory's complete  
So hail to the king  
(Everything you everâ€™)  
Arise and sing

So your world's benign  
So you think justice has a voice  
And we all have a choice  
Well now your world is mine  
(Everything you everâ€™)  
And I am fine

Now the nightmare's real  
Now Dr. Horrible is here  
To make you quake with fear  
To make the whole world kneel  
(Everything you everâ€™)  
And I won't feel  
A thing
