HORRIBLE

Any dolt with half a brain  
Can see that humankind has gone insane  
To the point where I don't know  
If I'll upset the status quo  
If I throw poison in the water main

Listen close to everybody's heart  
And hear that breaking sound  
Hopes and dreams are shattering apart  
And crashing to the ground

I cannot believe my eyes  
How the world's filled with filth and lies  
But it's plain to see  
Evil inside of me is on the rise

PENNY

Look around  
We're living with the lost and found  
Just when you feel you've almost drowned  
You find yourself on solid ground  
And you believe

There's good in everybody's heart  
Keep it safe and sound  
With hope, you can do your part  
To turn a life around

I cannot believe my eyes  
Is the world finally growing wise  
'Cause it seems to me  
Some kind of harmony  
Is on the rise

HORRIBLE (overlapping with Penny below)

Anyone with half a brain  
Could spend their whole life howling in pain  
'Cause the dark is everywhere  
And Penny doesn't seem to care  
That soon the dark in me is all that will remain

Listen close to everybody's heart  
And hear that breaking sound  
Hopes and dreams are shattering apart  
And crashing to the ground

I cannot believe my eyes  
How the world's filled with filth and lies  
But it's plain to see  
Evil inside of me is on the rise

PENNY

Take it slow  
He looks at me and seems to know  
The things that I'm afraid to show  
And suddenly I feel this glow  
And I believe

There's good in everybody's heart  
Keep it safe and sound  
With hope, you can do your part  
To turn a life around

I cannot believe my eyes  
How the world's finally growing wise  
And it's plain to see  
Rapture inside of me is on the rise
