Look at these people - amazing how sheep'll
Show up for the slaughter
No one condemning you - lined up like lemmings
You led to the water
Why can't they see what I see? Why can't they hear the
lies?
Maybe the fee's too pricey for them to realize
Your disguise is slipping
I think you're slipping

Now that your savior is still as the grave you're
Beginning to fear me
Like cavemen fear thunder - I still have to wonder
Can you really hear me?
I bring you pain, the kind you can't suffer quietly
Fire up your brain, remind you inside you're rioting
Society is slipping
Everything's slipping away

Soâ€¦
Go ahead - run away
Say it was horrible
Spread the word - tell a friend
Tell them the tale
Get a pic - do a blog
Heroes are over with
Look at him - not a word
Hammer, meet nail

Then I win - then I get
Everything I ever
All the cash - all the fame
And social change
Anarchy - that I run
It's Dr. Horrible's turn
You people all have to learn
This world is going to burn
Burn--

(Spoken To Reporter:)

yeah, it's two r's. H, O, R, R, yeah right--

(Cont. w/song)

Burn

No sign of Penny - good.

I would give anything not to have her see

It's gonna be bloody - head up Billy buddy

There's no time for mercy

Here goes - no mercyâ€¦!
