Because I'm naughty, naughty
Hey! I'm Mr. Simple
Because I'm naughty, naughty

Here comes SuJu

You can't just get angry because the world
Is not going the way you want it to be
You don't need to
Stop worrying over little things
It's not good for your health

Grades go up and down, that's just how it is
Performances go up and down, it happens all the time
Sometimes it's okay to just chill and take a break
because there's always the right time for
everything

If you're a guy
Drink up with your friends and forget about it
(Alright!) Alright
If you're a girl,
Chat it up with your friends and forget about it
(Alright) Alright, alright

Look Mr. Simple, Simple
You're great the way you are
Look Mr. Simple, Simple
You're beautiful the way you are (S J call!)
Look Mr. Simple, Simple
You're great the way you are
Look Mr. Simple, Simple
You're beautiful the way you are (S J call!)

Let's go, let's go, let's turn around if there's a
dead end
If you're too stressed, let's take a break and just
chill all day
I'm only going to be exhausted if I keep sprinting in
this rough world
Wait and save up your energy, because your day will

come soon

Blow your mind Mr. Simple
Blow your mind, the time has come, don't be scared
Blow your mind, go Mr. Simple
Blow your mind, the time has come, you're ready

Even a kid knows that we're living in a world of
dilemmas
Why is it so hard?
All we need to do is eat well, sleep well, and do well

If you're pissed,
Gossip about your friends and forget about it
(Alright) alright
If you're frustrated,
Shout and scream a song and forget about it
(Alright) alright, alright

Look Mr. Simple, Simple
You're great the way you are
Look Mr. Simple, Simple
You're beautiful the way you are (S J call!)
Look Mr. Simple, Simple
You're great the way you are
Look Mr. Simple, Simple
You're beautiful the way you are (S J call!)

Dance!

What's the big deal about freedom? Just get it, get it
Have some fun with aberration, dung-dung-dung kung-
kung-kung
Do you want to feel alive? Just grab it, grab it
My stories that are beating, dung-dung-dung kung-
kung-kung

(Because I'm naughty-naughty)
Don't worry anymore, the good day will come
So forget about serious matters
Just smile today, because your smile makes everyone
happy

Look Mr. Simple, Simple
You're great the way you are
Look Mr. Simple, Simple
You're beautiful the way you are (S J call!)
Look Mr. Simple, Simple
You're great the way you are
Look Mr. Simple, Simple
You're beautiful the way you are (S J call!)

Let's go, let's go, let's turn around if there's a
dead end
If you're too stressed, let's take a break and just
chill all day
I'm only going to be exhausted if I keep sprinting in
this rough world
Wait and save up your energy, because your day will
come soon

Blow your mind, go Mr. Simple
Blow your mind, the time has come, don't be scared
Blow your mind, let's go Mr. Simple
Blow your mind, go Mr. Simple
