Super Junior feat. f(x) - Oops Lyrics (English)

So Ladies, I know y'all feel me.  
Them boys are always be bluffin'  
Tryin' to feel like they're the man  
Trying to be in control  
Thinkin' they're always right  
But they just don't get it

Look at this kid, this kid is bluffing so hard  
Can someone please stop them from bluffing  
Started again, they are being stubborn  
Stop it Oops Oops  
They're sayin' Oops Oops

Here we go, Please give us a round of applause  
I don't care what you say, But we are very handsome  
it's within 1% and No.1  
Everyone says that we are handsome singers  
Whenever we are on TV, Girl fans are watching TV on  
time.  
Are you there Choi Si won?  
Just for one day, one day, I want people to tell me I'm  
good-looking  
Cause we hear it everyday (and we are tired of it).  
Don't say that our singing ability is under average  
It's because we are too handsome that you can't listen  
to our voices  
You will kneel down after seeing our faces

Look at this kid, this kid is bluffing so hard  
Can someone please stop them from bluffing  
Started again, they are being stubborn  
Stop it Oops Oops  
They're sayin' Oops Oops

Stop it Oops Oops  
They're sayin' Oops Oops  
Stop it Oops Oops  
They're sayin' Oops Oops

Stop saying nonsense, now here are my keys

Get the car out, the one I ride  
It's a super-car that you guys envy  
My house is in Las Vegas L.A, Hollywood  
Hawaii, Maldiva and even Dubai  
I travel without taking airplane  
How can this be possible?  
Because my car fly - Fly to the Sky  
My car wash is taking too long so I buy another car  
I buy car because I can't charge my card  
I just buy it buy it  
My car just growls and growls,  
Yo Valet parking I'm asking you  
Hey~! Mr. Simple

Oops boy, I'm just scoffing at you  
Oops boy Here comes Mr.Pinocchio  
Oops boys These boys are bluffing so hard  
Oh yeah

Bring a navigation  
You will need it because you get lost in my house  
Its so big we even have a missing person poster  
Jisung Park's here I get soccer lesson from him  
This is a jacket made out of dinosaur leather, It's hard  
to get  
One that passed by now is my pet Cheetah  
This one is Caesar, My mom's chimpanzee

Do you like coffee? Come here I'll show you  
Take a sample from my Americano field if you're  
thirsty  
Oops Oops Oops

Hey little fishes over there, want to listen to my story?  
Whole world will change to what I say  
I make new rule  $1+1 = 3$ ,  $1-1 = 100$   
All blacks turn into whites, all whites turn yellow  
I hate racism, I don't like it  
I don't like the law of gravity and the continental drift  
theory  
I want the universe become one continent  
What I say is a law and the truth  
I'm the president of ladies Lee Teuk

Look at this kid, this kid is bluffing so hard  
Can someone please stop them from bluffing  
Started again, they are being stubborn  
Stop it Oops Oops  
They're sayin' Oops Oops

Stop it Oops Oops

They're sayin' Oops Oops

Oops Oops (2 years)

Oops Oops (I'll be back)

The big star of bluffing's showing off starts  
I'm the the greatest Pinocchio  
I'm shiny, I'm a flower and I'm attractive, I don't look at  
ladies because I look better  
The phone rings all the time  
You're my girl on Mondays, Wednesdays, Fridays  
She's my lady on Tuesdays, Thursdays, Saturdays  
"Oppa please let me be yours" on Sunday, O.K?  
O.K sure you are my type of girl, Glamorous  
Ladies who clings alot aren't fun  
I always pack my lunch when I go on a field trip

(Hyung, you're not really joking)

Look at this kid, this kid is bluffing so hard  
Can someone please stop them from bluffing  
Started again, they are being stubborn  
Stop it Oops Oops
