Bounce to the music let your feet go round  
To the floor and I'ma break it down  
Let me in, let me show you all my bling bling  
And all my kicks kicks, baby dance with me  
Boom boom boom, can I get another clap clap clap, let's go  
Shake your body move your body pick your feet up  
I'ma move to the groove, baby I'ma go all out
