Translation:

Super Junior is only missing the "man"™ from the
name of "superman"™

Heyyyyâ€¦!S] like this!

[BAM BAM BAM BAM]

[EUNHYUK:]

When i am coolly dancing in the group that's one of
a kind in the world and uniquely moving the world

[DONGHAE:]

All the elves in the world fall fall fall for me

Run run run to me

Let's rejoice in this moment together

[YESUNG:]

I (emotionally) touch those people that have genuinely,
quietly loved me

[KYUHYUN:]

There haven't been moments where i've said
useless things or not been truthful

[SUPER JUNIOR:]

Our scale is the best and our skill is the best

Everything has to be the best

Super Junior is only missing the "man"™ from the
name of "superman"™

Our passion is the best and our concentration is the
best

Who would be able to say we've finished

Super Junior is only missing the "man"™ from the
name of "superman"™

[BAM BAM BAM BAM]

[HEECHUL:]

Now, now, now, who is it?

[SHINDONG:]

So why do all of you look back when i am right here

Who the hell are you looking for

I am Shindong!

[LEETEUK:]

Should I pluck the stars for you, count them

One, two, three

With the stars we've lost

We are thirteen stars!

[HEECHUL:]

But we are not lonely, we have SM family and ELF

[RYEOWOOK:]

Don't be disappointed, don't judge/betray us

you have already become drunk by the super holic
[SUNGMIN:]

Try singing the song, and now even follow the dance
Let's get excited together

[SUPER JUNIOR:]

Our scale is the best and our scale is the best
Everything has to be the best

Super Junior is only missing the "man" from the
name of "superman"

Our passion is the best and our concentration is the
best

Who would be able to say we've finished

Super Junior is only missing the "man" from the
name of "superman"

[KYUHYUN & SUNGMIN:]

When your heart is sad, when you want to listen to a
song,

When you need something to lift your spirits up,

We are next to you, let's all come together

[SUPER JUNIOR:]

Super Junior

We are super super SUPERMAN!

[RYEOWOOK & YESUNG:]

When you're very bored and surfing the internet, if
you just type in "super" our results will come
come out

We are always by your side

Scream it out

[SUPER JUNIOR:]

Super Junior

We are super super SUPERMAN!

[EUNHYUK:]

Even if they don't know of us, we try our best every
day

[DONGHAE:]

If they question who who who we are, we show them
our results

[SUPER JUNIOR:]

Even if the road we walk is barren,

We are in the end, Super Junior

THE LAST MAN STANDING!

[SUPER JUNIOR:]

Our scale is the best and our skill is the best

Everything has to be the best

Super Junior is only missing the "man" from the
name of "superman"

Our passion is the best and our concentration is the
best

Who would be able to say we've finished

Super Junior is only missing the "man" from the
name of "superman"
