Please don't be scared
I won't disappoint you
Just look at my face
I shouldn't love you anyway
I wanna try it...
I think I'm already trying
I'm already trying
Because I believe it
Yes I believe it
And I am trying

Please keep fighting
Keep fighting
Together we can build
Something beautiful
Please keep fighting
Together we'll build love

I can't live without you
Could I ever learn how to live
With you...
'Cus I believe it
Yes I believe it
And I, I'm trying

Please keep fighting
Keep fighting
Together we can build
Something beautiful
Please keep fighting
Together we'll build love

Please keep fighting
Keep fighting
Together we can build
Something beautiful
Please keep fighting

(Fighting, Fighting...)
(Fighting, Fighting...)
(Ohhhhhhh!)

I want give up for you
Please keep falling
Together we'll build love

Don't you give up
Not on me,
I won't give up on you
