more than words to show you feel that your love for me
is real say i love you, is not words i want to hear from
you

It's not that i want to, not to say but if you only knew,

how easy it would be to show me how you feel

more than words is all you have to do to make it real

then you wouldn't have to say that you love me cuz i'd
already know

what would you do, if my heart was torn in two

more than words to show you feel that your love for me
is real

what would you say, if i took those words away

then you couldn't make things new just by saying i love
you

ladida ladadada di dadada more than words

ladida ladada oooooo

now that i've tried to talk to you and make you
understand

all you have to do is close your eyes and just reach out
your hand

and touch me, hold me close don't ever let me go

more than words is all i ever needed you to show

then you wouldn't have to say that you love me cuz i'd
already know

what would you do if my heart was torn in two

what would you say if i took those words away

then you couldnt make things new just by saying i love
you ooooo
