some people got nothin at all

some people got all the greed

All people need something

on that we agree

but im different

everybody knows

Ive got everything

So

CHORUS

Youve got nothin, nothing against me

youve got nothin, nothing to mend me

youve got nothin better than mine

so ill give you a chance to get out of this time line

Some people are in the wrong time line

they should be in the stone age

but nobody cares

WHy would they anyway

CHORUS

but theres nothing

better than what you have but still

CHORUS

or not.
