(Johnny Tillotson - Lucille Cosenza)

It's all in your mind that I'm leaving you I've been afraid
you'd found somebody new

If I lost you it would break this heart of mine

I'm not leaving you it's all in your mind

You can't blame me for havin' my suspicions

When hearts are broken each and every day

Just listen to your heart and what it tells you don't listen
to the lies that people say

It's all in your mind that I could let you go I tried to think
you'd never hurt me so

For I know that I can't change this heart of mine

I'm not leaving you it's all in your mind

You can't blame me...
