(Betty Amos)

We're that odd couple on our street neighbors stare  
and wonder

We're a man and wife in love with each other

Today a friend of mine came by said let's do the town  
I can't fix you up with a cutiest thing around  
She's what I was jokin' when I told him patiently  
The only woman that I want is waitin' at home for me  
We're that odd couple...

[ guitar ]

A neighbor on our left talked with our neighbor on our  
right

A man across the street goes out almost every night  
I've heard a different man each night each is life  
company

They all think we're square cause we're happy as can  
be

We're that odd couple...

Yes we're a man and wife in love with each other
