(Loretta Lynn)

We're not kids anymore not a little girl and boy
But we break each other's heart like a child breaks a
toy
We're a woman and a man watchin' love slips through
our hands
Let's grow up we're not kids anymore

I go out of my way to hurt you more every day
And you cry out like your little heart will break
And every time you make me blue I make the point to
hurt you too
And I wonder how much more our love can take
We're not kids anymore...
[steel]
We're not kids anymore...
Let's grow up we're not kids anymore
