Goodbye to you my trusted friend  
We've known each other since we were nine or ten  
Together we've climbed hills and trees  
Learned of love and A B C's  
Skinned our hearts and skinned our knees

Goodbye my friend it's hard to die  
When all the birds are singing in the sky  
Now that the spring is in the air  
Pretty girls are everywhere  
Think of me and I'll be there

We had joy, we had fun, we had seasons in the sun  
But the hills that we climb were just seasons out of time

Goodbye Papa please pray for me, I was the black  
sheep of the family  
You tried to teach me right from wrong, Too much wine  
and too much song  
Wonder how I got along

Goodbye Papa its hard to die, When all the birds are  
singing in the sky  
Now that the spring is in the air, Little children  
everywhere  
When you see them I'll be there

We had joy, we had fun, we had seasons in the sun  
But the wine and the song like the seasons have all  
gone  
We had joy, we had fun, we had seasons in the sun  
But the wine and the song like the seasons have all  
gone

Goodbye Michelle my little one, You gave me love and  
helped me find the sun  
Every time that I was down, You would always come  
around  
And get my feet back on the ground

Goodbye Michelle it's hard to die, When all the birds

are singing in the sky  
Now that spring is in the air, With the flowers  
everywhere  
I wish that we could both be there

We had joy, we had fun, we had seasons in the sun  
But the stars we could reach were just starfish on the  
beach  
We had joy, we had fun, we had seasons in the sun  
But the stars we could reach were just starfish on the  
beach  
We had joy, we had fun, we had seasons in the sun  
But the wine and the song like the seasons
