Be Yourself
And Not Somebody Else
It Might Take Some Little Effort
Or Maybe Just A Little Help
But You Can Figure It Out
If Not, Just Do What Everybody Else Does

Keep It On The Level
If That's What Im Supposed To
Keep It On The Level
It's Everything Im Told To
People Get In Trouble
If I Try To Take The Side Of The Road

Here's Your HEY HEY HEY
Here's Your HO HO HO
I Dont Know Where Else To Go
'Cause There's A Really Fine Line, Between What's
Yours And What's Mine
It's a Line That I Don't Want To Toe
You Know
I'm Sick Of Being Haunted By Every Cliche That I Know

Whatever That Means
Even If You're So Young You've never Seen A Limosine
You're Gonna One Day
Just Remember, Never Get In
And Don't Give Up
'cause' You know People Are Gonna Care
If You Just Stop Trying
Accept Every Dare
If You Can't Seem To Make It
Well Maybe Just Try Failure

Keep It On The Level
If That's What Im Supposed To
Keep It On the Level
It's Everything Im Told To
People Get In Trouble
If I Try To Take The Side Of The Road

Here's Your HEY HEY HEY

Here's Your HO HO HO
I Don't Know Where Else To Go
'Cause There's A Really Fine Line, Between What's
Yours And What's Mine
It's a Line That I Don't Want To Toe
You Know
I'm Sick Of Being Haunted By Every Cliche That I Know

Oh Oh Oh Oh Oh Oh Oh

Here's Your HEY HEY HEY
Here's Your HO HO HO
I Don't Know Where Else To Go
'Cause There's A Really Fine Line, Between What's
Yours And What's Mine
It's A Line That I Don't Want To Toe
You Know

So, Here's Your HEY HEY HEY
Here's Your HO HO HO
I Don't Know Where Else To Go
'Cause There's A Really Fine Line Between What's Yours
And What's Mine
It's A Line That I Don't Want To Toe
You Know
I'm Sick Of Being Haunted By Every Cliche That I Know
